Community Impact Statement –Student Interaction

The information that you provide will enable Manchester Student Homes to build up a picture of the overall impact of students in the community. It will also allow us to identify specific events and interactions where students have had an exemplary impact on the local area. These can then be used by Manchester Student Homes and the Universities to identify areas that need improvement or commendation. Thank you for taking the time to fill in this form.

What to include in the Community Impact Statement

- The factual details of a specific interaction you have had with students. This includes:
 - Time and date of the interaction
 - Number of students involved in the interaction
 - How you know the students involved
 - The university the students attend (if known)
 - What the students involved in the interaction did
 - What part you played in the interaction
- The areas of your life that have been impacted by the interaction and the students involved in the interaction. This may include, the impact on your:
 - Family
 - Job
 - Personal wellbeing
 - Community
 - Local Area
- The way in which the interaction has impacted on the areas of your life, this may include the:
 - Emotional Impacts
 - Physical Impacts
 - Positive Impacts
 - Negative Impacts
- How the interaction has changed your views and opinions of the students involved.

What NOT to include in the Community Impact Statement

- How you believe the students involved should be rewarded or punished.
- How you believe the students involved in the interaction should have behaved.
- The impact of the whole student community on your life.
- Any reference to other interactions that have involved students (If you would like these recorded please fill out another form)
- Any bias or discrimination in favour of or against the student population.
