

## Vacation Check List

- Keep all the windows and doors locked even small windows.
- Turn on the house alarm, if there is one installed.
- Check all the taps have been turned off.
- Turn off all the electric sockets that won't be in use (eg oven, toaster kettle).
- Throw out all the rubbish.
- Take out all the rubbish & recycling, but don't leave bins out on the street.
- Before you leave tell your landlord and neighbours that the house will be empty.
- Read our Student Safety information flier:
